AWARD-WINNING LOCAL AUTHOR

From Vanita's debut novel, *Silent Is The Magpie*:

“ Jamie Barlow leans over the gas tank of her Harley, pushing it into turns at speeds significantly above the posted 50 mph limit. As the farmhouses and occasional trailers blur by the roadside, she knows a sixty-something helmetless widow ripping down these back roads like an escaped convict will cause some tongues to wag. She doesn't care. Let them talk. They always had. They always would. ”
